Summary. This regulation contains Army TFG records. It gives information on an Army activity's shipping and receiving capability for determining the proper routing and costs for DOD freight and passenger movements between points within CONUS. Chapter 7, Volume 1, governs the establishment and maintenance of a TFG record.

Applicability. This regulation applies to all components of the Department of Defense, specifically the Active Army, the ARNG, and the USAR.

Impact on New Manning System. This regulation does not contain information that affects the New Manning System.

Internal control systems: This regulation is not subject to the requirements of AR 11-2.

Supplementation. Supplementation of this regulation and the establishment of forms other than DA forms are prohibited without prior approval from HQDA (DALO-TSP) WASH DC 20310.

Interim changes. Interim changes to this regulation are not official unless they are authenticated by The Adjutant General. Users will destroy interim changes on their expiration dates unless sooner superseded or rescinded.

Suggested Improvements. The proponent agency of this regulation is the Office of the Deputy Chief of Staff for Logistics. Users are invited to send comments and suggested improvements directly to the Commander, Military Traffic Management Command, ATTN: MT-INM, 5611 Columbia Pike, Falls Church, VA 22041-5050. Army users will send comments and suggested improvements on DA Form 2028 (Recommended Changes to Publications and Blank Forms). Paragraph 7-7, Volume 1, contains procedures for transmitting revisions of TFG records to CDR MTMC FALLS CHURCH VA //MT-INM//.

Distribution:

Army: Distribution of this publication is made in accordance with DA Form 12-9A-R requirements for 55-series publications. The number of copies distributed to a given subscriber is the number of copies requested in Block 85 of the subscriber's DA Form 12-9A-R. AR 55-355 distribution is C for Active Army, ARNG, and USAR. Existing account quantities will be adjusted and new account quantities will be established upon receipt of a signed DA Form 12-9U-R (Subscription for Army UPDATE Publications Requirements) from the publications account holder.
