Hi and Welcome to Fort Irwin. My name is _____ and I work at **Army Community Service**. I would like to provide you with information about Army Community Service and what we can do for you. We are here to help **support the Commander's** ability to provide comprehensive, coordinated and responsive services which support the readiness of Soldiers, civilian employees and their families. We are here to help you and your family have a successful Army career here at Fort Irwin.

We have various programs that offer **assistance, training, classes and support**. For example, if you're looking for a job, you can come in to see our **Employment Readiness Coordinator**, and they can assist you on how to **write a resume, interview skills, and employment resources**.

Or if you would just like to **volunteer**, we have an **Army Volunteer Corp Coordinator** who would be glad to get you started with a volunteer agency today.

We also have **Deployment Readiness** who could help you with understanding the cycle of a deployment and stages that we go through. Deployment Readiness also **provides workshops** and trainings upon requests.

Do you need to setup a **budget**? Need to learn how to balance a checkbook? Come in and see our **Financial Readiness Coordinator**, and they can help you with different financial needs and questions. We have many other programs and activities that we would love to see you attend.

If you have any questions, please feel free to give us a call at (760) 380-4784. And we'll be happy to help. Thank you and again welcome to Fort Irwin.
