FIREWORKS ALERT!

20 June 2016

Possession of any type of fireworks, including “safe and sane” fireworks, is against the law in any unincorporated area of San Bernardino County to include Fort Irwin. In the event a fire occurs due to the unsafe use of fireworks, the responsible persons are likely to face criminal charges and be held liable for damages.

Safe and Sane” fireworks are **only** allowed in the following cities: Adelanto, Barstow, Chino, Colton, and Rialto, as well as specific locations in Fontana, Grand Terrace, and San Bernardino. Please call the fire department in these cities for more information. All fireworks are illegal elsewhere in the county. All fireworks that explode, shoot into the air or move along the ground are termed dangerous and are illegal anywhere in California.

With San Bernardino County facing a dangerous wildland fire season, the San Bernardino County Fire Department (SBCoFD) and Fort Irwin Fire Department (FIFD) has increased its vigilance in enforcing state and county firework laws to protect public health and safety.

Residents of Fort Irwin may be cited if they allow fireworks to be possessed, stored or used within Fort Irwin housing area and on Fort Irwin.

According to the National Fire Protection Association, on a typical 4th of July, fireworks cause more fires in the U.S. than all other causes combined. While “Safe and Sane” fireworks are allowed in some San Bernardino County communities, the Fort Irwin Fire Department and DES encourage residents to watch fireworks at community celebrations rather than use their own. Visit sbcfire.org for a schedule of local firework displays.

This message was brought to you by the Fort Irwin Fire Department - Have a fire safe day!
