- **PCC's/PCI's and Checks**

Task Organization

The National Training Center

Making RTU Contact

The National Training Center

Has your unit contacted its assigned Rotational Training Unit (RTU) CSSB/BCT?

Has the rotational CSSB/BCT provided your unit with its required report Templates and formats so your unit can practice at home station during Battle assembly?

Is your unit reporting Personnel and Logistical status thru your Chain of Command and thru the rotational CSSB/BCT you are supporting?

Making RTU Contact cont.

The National Training Center

Does your unit have a current TACSOP, have you contacted your Rotational CSSB / BCT and discussed their TACSOP with their S3/S6 to ensure that your unit and it's higher can communicate and execute a good MDMP for your assigned missions.

Is your unit reporting Personnel and Logistical status thru your Chain of Command and thru the rotational CSSB/BCT you are supporting?

Has your unit contacted the NTC DODAAC Coordinator to get the process of created your DEPEX GCSS ARMY DODAAC's?

Communication S6

The National Training Center

Has your unit contacted the RTU CSSB/BCT S6?

Does your unit know what their Communication requirements are, based on your rotational training unit's BCT S6 guidance?

If involved in a live fire Rotation, how do you obtain BFT equipment? Can your Rotational BCT S6 assist?

***Note – See DEPEX DODAAC PROCESS on the Fort Irwin Website.**

OCIE Issue

The National Training Center

Does your unit/soldiers have their OCIE issue?

Does your unit OCIE issue meet NTC/JRTC and your assigned BCT requirements?

Do your soldiers have IOTV, Gen 1 or GEN 2?

Medical

The National Training Center

Are all your medical equipment assets at 100% fill as required?

Has your medical supply boxes been inventoried and inspected for expiration dates?

Do all of your soldiers have an IFAK first aid kit issued?

CBERNE

The National Training Center

Have your CBERNE requirements been established for your unit's mission?

Are your Pro mask sized, fitted and issued?

Are your Pro mask inventoried and packed?

NVG's

The National Training Center

Has your RTU CSSB/BCT informed you of your units NVG requirements?

Does your unit have its MTOE authorization of NVG equipment?

Are all your DA348s (military operator license) up to date and annotated with the NVG's Training endorsements?

Do your Soldiers ACH's have the NVG mounts attached?

***Note –
See JLIST Equipment Process
On the Fort Irwin website.**

Transportation

The National Training Center

Is all transportation requested approved and funded?

Are your weapons and systems, inventoried and packed, is your shipping coordination completed with your BN/BDE/TSC ITO?

Has all unit personnel, equipment/transportation requirements, been submitted to and approved by the ITO? Have round trip Air/Bus Charters from SCLA (arrival /departure) airfield been approved and funded.

Weapons

The National Training Center

Does your Unit have the correct blank firing adapters (BFA) for all required weapon systems IE: Red (M16) Yellow (M4) M240 and .50 CAL?

Did your unit inventory and pack required amount magazine for all weapons systems?

Training

The National Training Center

Has your unit completed all certifications, individual and collective training prior to attending NTC?

Has your Battle Assembly (BA) training schedule been vetted to provide adequate time to train and prep load out, for the NTC mission?

***Has your unit conducted a showdown inspection?**

Training cont.

The National Training Center

Have you identified your Digital Enablers? Have you requested during your IPC/PDSS that your enablers receive training at NTC if available?

Has the rotational CSSB/BCT provided your unit with its required report Templates and formats so your unit can practice at home station during Battle assembly?

Regulation and SOP's

The National Training Center

Has your unit reviewed NTC 350-1 and researched the FT IRWIN, NTC website?
Has your unit reviewed the JRTC website?

Does your unit have a current TACSOP, have you contacted your rotational CSSB/BCT and discussed their TACSOP with their S3/S6 to ensure that your unit and it's higher can communicate and execute a good MDMP for your assigned missions.

Note: www.Irwin.army.mil – Ft. Irwin NTC Website

PCC's/PCI's and Checks

The National Training Center

Has your unit conducted PCC's and PCI's two Battle assemblies in a row, 120+ days out, to identify shortages and followed up to fill them?

Do you have the PCC's and PCI's on your training schedule and identified as JRTC/NTC prep events? How do you request IOTV?

Have you double/triple checked your lists and requested higher assistance, if necessary?

PRE-COMBAT CHECKLIST

	Check		Check
Individual		Platoon Sergeant (cont'd)	
Equipment Packed IAW with TACSOP		Operation Equipment	
LBV complete and serviceable		Maps, Updated
